1. Background

1.1 Section 177 of the Companies Act, 2013 read with Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014, prescribe that (a) every listed company, (b) the companies which accept deposits from the public and (c) the companies which have borrowed money from banks and public financial institutions in excess of Rupees Fifty Crores, shall establish a whistle-blower policy / vigil mechanism for the directors and employees to report genuine concerns or grievances ("**Policy**" / "**Vigil Mechanism**" / "**Whistle-Blower Policy**"). The vigil mechanism shall provide for adequate safeguards against victimization of employees and directors who avail the vigil mechanism and also provide for direct access to the chairperson of the audit committee of the company, in appropriate or exceptional cases.

1.2 Further, in terms of Regulation 22 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended on November 30, 2018, (hereinafter referred to as "**Listing Regulations**"), Spandana Sphoorty Financial Limited ("**Company**") is required to formulate a vigil mechanism for directors and employees to report genuine concerns.

1.3 In terms of Regulation 9A(6) of the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended on December 31, 2018, (hereinafter referred to as the "**Insider Trading Regulations**"), the Company is required to formulate a whistle-blower policy and make employees aware of such policy to enable employees to report instances of leak of unpublished price sensitive information ("**UPSI**").

1.4 The Company has adopted a Fair Practices Code ("**FPC**"), a Unified Code of Conduct ("**CoC**") of Sa-Dhan and MFIN, a Code of Practices and Procedures for Fair Disclosure of UPSI and a Code of Conduct for Prohibition of Insider Trading and Internal Procedures as required under Insider Trading Regulations, which lays down the framework for prohibition of insider trading securities and to strengthen the legal framework. Any actual or potential violation of the Insider Trading Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The vigil mechanism policy provides for adequate safeguards against victimization of persons who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee in appropriate or exceptional cases.

2. Policy Objectives

We are committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct and/ or who have witnessed or have knowledge of instances of leak of UPSI or have concerns about suspected leakage of UPSI to come forward and express these concerns without fear of punishment or unfair treatment. A vigil (whistle-blower) mechanism provides a channel to the employees and Directors to report to the management about unethical behavior, actual or suspected fraud or instances of leakage of UPSI or suspected leakage of UPSI or violation of the code of conduct and/ or the insider trading code adopted by the Company. The mechanism provides for adequate safeguards against victimization of employees and Directors to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee / Managing Director of the Company in exceptional cases.

3. Scope of the Policy

This Policy intends to cover serious concerns that could have grave impact on the operations and performance of the business of the Company and malpractices and events which have taken place / suspected to have taken place, misuse or abuse of authority, fraud or suspected fraud, instances of leakage of UPSI or suspected leakage of UPSI, violation of company rules, manipulations, negligence causing danger to public health and safety, misappropriation of monies, and other matters or activity on account of which the interest of the Company is affected and formally reported by whistle-blowers concerning its employees.
